MERIT[®]
SERIES

13ACX

Economical,
energy-efficient
air conditioner

The perfect choice for affordable and efficient comfort.

Reliable performance, ideal comfort and money-saving energy efficiency all come together in one perfect package in the Merit® Series 13ACX air conditioner. Its dependable scroll compressor and high-efficiency outdoor coil work together to keep your home comfortable and your energy costs under control.

Built for lasting quality

Every component in the 13ACX is designed for exceptional durability and easy maintenance year after year. Every unit is built solid inside and out and thoroughly tested before leaving the factory. And once it's installed, Lennox' industry-leading warranty coverage adds another layer of protection for your investment.

10-year limited warranty on compressor,
5-year limited warranty on all other
covered components*

*Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.
**Actual system efficiency may vary depending on the exact system match. Efficiencies are representative of a single AHRI Most Popular matched combination. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

Efficient, economical cooling

Direct-Drive Fan – Precision-balanced direct-drive outdoor fan is designed to provide quieter operation and longer product life.

Dependable Scroll Compressor – Provides reliable and efficient operation.

High-Efficiency Outdoor Coil – Provides exceptional heat transfer and low air resistance for high-efficiency operation.

PermaGuard™ Cabinet – Heavy-gauge, galvanized steel construction, louver coil guard, baked-on powder finish and durable zinc-coated steel base help provide long-lasting protection against rust and corrosion.

13ACX meets or exceeds 13.00 SEER**
(Seasonal Energy Efficiency Ratio)
