ELEVATE YOUR ENVIRONMENT

EL16XP1 | HEAT PUMP

Highly efficient, single-stage heat pump that delivers exceptional comfort.
Elite® Series takes the Lennox® promise of exceptional comfort and performance to the next level. This superior product family delivers remarkable efficiency. It’s time to elevate your environment. It’s time for Lennox Elite.

Elevate Your Air.

Energy efficient doesn’t even begin to cover it.

Features a highly efficient heat pump with the potential to significantly reduce your energy costs. And with dual-fuel compatibility, it saves even more energy when paired with a Lennox gas furnace.

This heat pump has earned the ENERGY STAR® certification, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Stops sound in its tracks.

A specialized sound dampening system keeps your home comfortably quiet, even in the most demanding conditions. In addition, the silently precise direct-drive fan provides longer equipment life in challenging environments.

Durability that raises the bar.

Together, corrosion protection in the PermaGuard™ unit base and the galvanized steel cabinet’s powder finish ensure that your heat pump—and your peace of mind—lasts longer.

*Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox’ base warranty will apply. Applies to residential applications only. See actual warranty certificate for details. Note: Due to Lennox’ ongoing commitment to quality, specifications and ratings are subject to change without notice.
With years of rigorous testing under the most extreme conditions, our Quantum™ Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements.
COZY PERFECTION FOR HARSH CLIMATES
