

TRANSCEND YOUR AIR

So simple. So smart. So comfortable.

iComfort® S30 | ULTRA SMART THERMOSTAT

The ultimate controller for precise comfort.

START WITH EXTRAORDINARY

Dave Lennox *Signature*® Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option: Dave Lennox *Signature* Collection.

Transcend Your Air.

ENERGY SAVINGS

Your schedule may change. The weather may change. Even the air quality in your neighborhood may change. But the iComfort® S30 ultra smart thermostat will always adapt to deliver incomparable energy savings.

SMART AWAY™ MODE

Uses the location services in your smartphone to detect when you're leaving, and automatically changes the temperature to a more energy-efficient setting.

SCHEDULE IQ™ TECHNOLOGY

Allows you to program your thermostat once. Whenever there's a change in your routine, the thermostat adapts heating and cooling to match.

ONE-TOUCH AWAY MODE

Overrides your regular programming schedule with a single touch and sets back your heating and cooling set points to save energy.

SMOOTH SETBACK RECOVERY

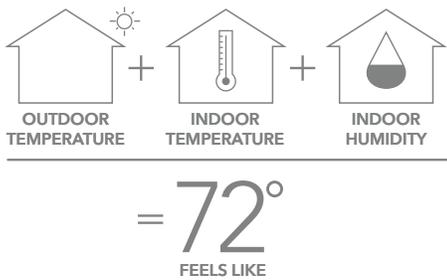

Automatically adjusts the heating or cooling start time so your house is at the temperature you want at the time you want.

PERFORMANCE REPORTS

Manage your entire heating and cooling system with the help of detailed performance reports and real-time operations monitoring. Monthly reports are emailed directly to you, while daily and hourly reports are available through www.LennoxComfort.com. Should any problem with your system ever arise, you and your Lennox® dealer* will be automatically notified.

COMFORT

The iComfort S30 ultra smart thermostat makes home comfort perfectly simple. Set the thermostat to 72°F, and it will feel like 72—in any weather, year-round, with just a touch.

FEELS LIKE™ SETTING

Similar to the "Feels Like" temperature in a weather report. Takes into account temperature and humidity to make your home feel exactly like you want.

ALLERGEN DEFENDER

Monitors the air quality and pollen levels in your local zip or postal code and automatically turns the system fan on as needed to clean your home's air.

PRECISE COMFORT® PLUS

Holds your home's temperature to within 0.5 degrees or less when used with Lennox modulating equipment.

HUMIDITY CONTROL

Can work with a whole-home humidifier to optimize your air's moisture levels.

CLIMATE IQ® TECHNOLOGY

Monitors humidity levels and removes excess moisture for healthier, more comfortable air.

CONVENIENCE

PHOTO DISPLAY

Display your favorite photo on the iComfort screen using your smartphone and the iComfort App.

WEATHER & AIR QUALITY FORECASTS

Seven-day weather and air quality conditions are offered for your local area so you can plan ahead.

CUSTOMIZABLE REMINDERS

Allows you to set a series of service reminders and alerts that are displayed on the home screen.

AUTOMATIC UPDATES

As new features are developed, your thermostat is automatically updated with the latest software.

Remote control of your home environment is easy with the iComfort S30 ultra smart thermostat. Monitor temperatures and schedules from anywhere using the iComfort app and your smart device. The iComfort S30 is compatible with **Alexa****, **Siri*****, **Google Assistant†** and **IFTTT**. When you connect the iComfort S30, you can fine-tune your comfort with a simple voice command.
