COLLECTION

## SL280NV

VARIABLE-SPEED,  
ULTRA-LOW NO<sub>x</sub>  
GAS FURNACE

First ultra-low NO<sub>x</sub> gas  
furnace you can buy

# FEEL-GOOD COMFORT

Offering the ultimate in comfort and emission compliance, the SL280NV ultra-low NOx gas furnace produces 65% lower NOx emissions than standard low NOx furnaces. So you can feel good about your environment, inside and out.

65%  
LOWER NO<sub>x</sub>  
EMISSIONS  
than standard low NO<sub>x</sub> furnaces

# OUTSTANDING EFFICIENCY

With a heating efficiency rating of 80% AFUE\* as part of a communicating system, the SL280NV delivers exceptional comfort all winter long and helps you save energy, too.

80¢  
OF  
EVERY  
DOLLAR   
is converted into usable heat

## EFFICIENCY INNOVATIONS

### FINE-TUNED FUEL USE

The SL280NV operates at two different levels of heat output, so it maintains a consistent temperature in your home using as little fuel as possible. This helps you stay comfortable and reduces your utility costs.

### SMART CONTROL

When combined with the iComfort® S30 ultra smart thermostat, the SL280NV adjusts your heating for energy savings based on your family's routine.

# BALANCED TEMPERATURES

A variable-speed blower motor and two-stage gas valve allow the furnace to adjust its speed and airflow to maintain your ideal temperature, throughout your home, quietly and efficiently.

A STEADY

72°

## COMFORT INNOVATIONS

### VARIABLE-SPEED AIRFLOW

By precisely adjusting the flow of heated air, the SL280NV prevents temperature swings and controls humidity levels for a more comfortable environment.

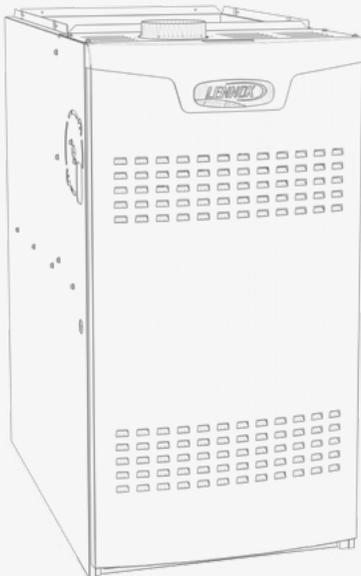

### TWO-STAGE HEATING

The SL280NV operates at a more efficient low capacity most of the time to maintain your set temperature, with extra capacity for chilly mornings or evenings.

### LOW FAN SPEED

By circulating air slowly and steadily in "FAN ON" mode, the SL280NV can control humidity levels and create continuous filtration for cleaner, healthier air.

# DURABLE CONSTRUCTION

The SL280NV is made with a heavy steel cabinet for a long, trouble-free life.

COVERED  
COMPONENTS

### PEACE-OF-MIND PROTECTION

The SL280NV comes with a 20-year limited warranty on the heat exchanger and a 10-year limited warranty on all remaining covered components.\*\*

\*Furnaces are rated by the Annual Fuel Utilization Efficiency ratio, or AFUE, which is the percent of heat produced for every dollar of fuel consumed.

\*\*Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

Innovation never felt so good.®

# INNOVATIVE COMFORT

Heating that's efficient, effective and environmentally responsible

## BUILD A SIGNATURE® SYSTEM

The SL280NV is part of the Dave Lennox *Signature*® Collection, the most advanced line of equipment Lennox makes. Every furnace, air handler, heat pump and air conditioner in the *Signature* collection is built from premium materials, and designed to bring the highest level of innovation to home comfort.

## FINANCING YOUR COMFORT

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.\*

\*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
