The most precise and efficient air conditioner you can buy

Cooling output is adjusted in increments as small as 1%, so your energy use and comfort are perfectly precise.

XC25 VARIABLE-CAPACITY AIR CONDITIONER

The most precise and efficient air conditioner you can buy
Lennox Precise Comfort® technology maintains your set temperatures within half a degree, using only the energy that’s needed to keep your air consistently comfortable.

**72° FEELS LIKE PERFECTION**

VARIABLE-CAPACITY, INVERTER-CONTROLLED COMPRESSOR
Continually makes small adjustments in fan speed and cooling output to hold your temperature exactly where you want it.

ICOMFORT®-ENABLED
Working with the iComfort® S30 ultra smart thermostat, the XC25 adapts cooling settings to match your family’s routine.

HUMIDITY REMOVAL
The XC25 removes about 30% more humidity from the air than a conventional single-stage unit**, so your home’s air feels light and cool during even the hottest summer months.

CLIMATE IQ® TECHNOLOGY
The XC25 modifies cool air output based on the climate in your area, adjusting for everything from humidity to startup time. So no matter where you live, you’ll live comfortably.

---

When the XC25 is running, you’ll hardly hear it. Innovative SilentComfort™ technology combines thick insulation, vibration resistance and a specially shaped fan blade to greatly reduce sound levels.

**50% quieter than a standard air conditioner***

---

*Efficiency claim based on comparison of air conditioning and heat pump products’ SEER as published in AHRI (January 2015). Actual system combination efficiency may vary; consult AHRI for exact system efficiencies. Precision claim based on the cooling capacity range of the XC/XP25-036 units as compared to equivalent-sized competitive variable-capacity compressor units.

***Sound Rating Number according to ANSI/AHRI Standard 270-2008. “SRN” is the overall A-Weighted Sound Power Level, (LWA), dB (100 Hz to 10,000 Hz). Sound information based on 3-ton models. Standard system is a 13ACX with a 76dB sound rating.
UNMATCHED EFFICIENCY

INDUSTRY-LEADING EFFICIENCIES OF UP TO 26.00 SEER

The XC25 can help you save hundreds of dollars in utility costs every year.

The XC25 has earned the ENERGY STAR® Most Efficient 2018 label, which means it is recognized as one of the most efficient products that qualify for ENERGY STAR.

EFFICIENCY INNOVATIONS

HIGH-EFFICIENCY OUTDOOR COIL
Specially designed for maximum heat transfer and low air resistance.

ADDITIONAL SAVINGS
The XC25 can potentially qualify you for federal energy tax credits and local utility rebates. See your Lennox Dealer for details.

RELIABLE ENGINEERING

The XC25 is designed for lasting reliability and performance. High-quality materials and innovations like the PermaGuard™ cabinet offer extra protection against rust and corrosion, so your unit runs better and longer.

PEACE-OF-MIND PROTECTION
The XC25 comes with a 10-year limited warranty on the compressor and all remaining covered components.

† The cooling efficiency rating for air conditioners is Seasonal Energy Efficiency Ratio, or SEER. The higher the SEER, the better the energy performance, and the more you save.
‡ Applies to residential applications only. See actual warranty certificate for details.
Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.
THE ULTIMATE COMFORT SYSTEM™
The XC25 is the most advanced air conditioner Lennox makes, and one of the cornerstones of our most innovative system—the Ultimate Comfort System™. It’s also compatible with the entire line of Dave Lennox Signature® Collection equipment, for truly unmatched comfort and efficiency.

FINANCING YOUR COMFORT
Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
